## STUDENTS AND VOLUNTEERS THAT HAVE BEEN AT THE CENTRE

plans for the next half of the year.

- to keep on recruiting youth for joining the vocational training at the centre.
- to start a new program of brick stone pavement making.
- to start a tree nursery project.
- to be active participants of the disability day event, i.e displaying the products made at the centre and also doing a performance.
- to increase use of centre shop.
- to have staff training for the Gabriella staff.
- to have public endorsement of the centre by the minister.
- to organize youth projects at home and start integration process.
